20th April, 2022

Dear Parents/ Guardians,

Lesson Arrangements after Easter Holiday

The Education Bureau has announced the resumption of face-to-face classes after the Easter holiday. The Easter holiday will end on April 22 (Friday) according to the school calendar. During the examination period of the core subjects of the HKDSE, students will take online lessons according to the half-day class schedule. In addition, the Education Bureau allows secondary schools to resume face-to-face classes as early as May 3 (Tuesday). Therefore, half-day face-to-face classes will be resumed on the same day. Secondary 1 to 5 students will have lessons according to the half-day class schedule.

1. Lesson arrangements after Easter holiday:

Date	Time	Mode
25 th April (Monday) to 29 th April (Friday)	8:20 am to 1:20 pm (Class teacher period cancelled)	Online lessons. Students are not required to return to school
From 3 rd May (Tuesday)	8:10 am to 1:30 pm	Back to school for half-day face-to-face classes

2. Starting from 3rd May (Tuesday), students must wear summer school uniform.

3. Rapid Antigen Test (RAT) and Monitoring Body Temperature:

3.1 According to the guidelines in the circular letter of the Education Bureau, students must have undergone RAT before returning to school every day. Students can only return to school after getting negative results. If tested positive, students must not go to school but should inform the school of the positive results as soon as possible and stay at home. The case should also be reported to the Department of Health as soon as possible within 24 hours. For those who have recovered from COVID-19 and have submitted relevant proof to the school, RAT is not

required within 3 months from the date of recovery (except those with symptoms).

- 3.2 On the first day of FTF class resumption, if students are tested negative, parents are requested to kindly record and sign the RAT negative test date results on P.58 of students' handbook under the section 'Message from parents to school' for teachers to check. Also, please note that school will distribute the 'Temperature and Rapid Antigen Test Record Sheet' on the first day of face-to-face classes resumption, starting from 4th May (Wednesday). Students are required to do the RAT at home and bring the record sheet signed by parents/guardians to school, it will be checked every day.
- 3.3 If the school finds that a student returning to school has not completed the test, the school will not be able to help students do the test because we are not a professional healthcare staff, the school will notify the parents at once. Parents are required to come to school and take their child back home.

Thank you for your attention. Should you have any enquiries, please contact the school at 2777-6289.

Yours faithfully,

CHENG Che-yin, M.H.

Principal
