

Dear Parents/Guardians,

Re:Promotional activities for e-Submission of application for student grant (\$2,500)

The Education Bureau will implement the electronic submission (e-Submission) of application for student grant (\$2,500) in the 2023/24 school year. To submit online applications, parents must have a user account of “iAM Smart+” with digital signing function. To facilitate parents to get well prepared, parents can, via the link below, book a session to register for “iAM Smart+” in-person at any designated schools in various districts from May to August this year. For details of the activities and enrolment in May and June, please refer to the following poster.
