Dear Parents/ Guardians,

**“Quality Education Fund e-Learning Funding Programme - Provision of Mobile Computer Devices and Internet Services Support”
(2023/24 School Year)**

Our school has been implementing the “Bring Your Own Device” policy since the 2020/2021 school year for e-Learning, recommending students to bring their own mobile computer devices to school for learning. To alleviate the financial burden of students from low-income families, we have participated in the “Quality Education Fund e-Learning Funding Programme—Provision of Mobile Computer Devices and Internet Services Support” to apply funding for purchasing mobile computer devices for **loan** to financially needy students from **Secondary 3 to 5**.

Our school therefore would like to know whether students need to apply for related equipment. Eligible students are those who are receiving

- i. Comprehensive Social Security Assistance (CSSA) from the Social Welfare Department, or
- ii. full/half grant of the School Textbook Assistance Scheme (STAS) from the Student Finance Office; or
- iii. students with limited economic means identified by schools. If students’ families face financial difficulties but are not receiving CSSA or STAS due to special circumstances, they may provide schools with explanations or supplementary information. The EDB provides a limited amount of quota our school with a limited amount of quota for purchasing e-learning equipment for loan to needy students with genuine needs identified by school-based criteria.

To streamline the application process, parents can submit their applications by scanning the QR code below or the following link to complete an electronic form. Applicants must submit the electronic form **on or before 2nd February, 2024**.
