Dear Parents/Guardians,

About the implementation of Grwth account

To facilitate communication and collaboration between parents and school and provide parents with convenience, our school will officially implement the **Grwth System** for services such as **e-Notice** and **e-Payment** and QR code-based attendance.

Important Information:

- 1. e-Notice:** Parents will receive school notifications via the Grwth APP and can sign parents notices instantly.
- 2. e-Payment:** Parents can securely pay tuition and activity fees through the system, simplifying the payment process.
- 3. Attendance:** Students will use their personal QR code for daily attendance. Parents can immediately know the student's arrival time at school.

Please provide the mobile phone number of one parent/guardian for parent account registration.

If you have any questions, please contact the Information Technology Panel Head, Mr CHAU Chung-yin at 27776289. Thank you for your support in fostering communication between school and parents.

Yours faithfully,

TSO Tat-ming

Principal
