Dear Parents/ Guardians,

**S.2 Interdisciplinary Learning Activity (Class 2A)**

Hong Kong possesses various natural habitats to nurture our biodiversity. To broaden students' horizons and enable students to learn about the sustainable agriculture and fisheries model, the school will organize the S.2 Interdisciplinary Learning Activity. Through the interactive activities during the visit to Fisheries & Agriculture Technology Education Centre (San Tin), students understand about the application of A.I. and technology in agriculture through hands-on approaches and reflect on the importance of sustainability to the security, prosperity and stability of society. The details of the activity are as follows:
