Secondary one to secondary six students receiving Comprehensive Social Security Assistance will receive full school fee remission; students will be ineligible for school fee remission if they exceed the AFI threshold. The AFI values of different remission levels are subject to adjustment every year depending on the number of applications in the previous academic year.

The criteria for different school fee remission levels in 2017-18 are as follows.

Level of Remission	“ Adjusted Family Income” (AFI)
Full Remission	0 to 38,603
Half Remission	38,604 to 74,644
Not Eligible	Over 74,644

AFI thresholds for full level of assistance for 3-member and 4-member families are \$46,733 and \$42,995 respectively in the 2017/18 school year. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of assistance and calculation of AFI.
