30th October, 2025.

Dear Parents,

Invitation to S1 Information Day

We are pleased to announce that our S1 Information Day will be held on 15th November, 2025 (Saturday). We sincerely invite you to help share this event with your relatives and friends, especially parents and students of Primary 5 and 6, so that more families can learn about the quality education offered at Wai Kiu College.

Our school is committed to whole-person education and provides a learning environment that supports students' all-round development. In recent years, our students have achieved outstanding results in various fields including academics, STEAM, sports and arts:

Academically, several graduates have been admitted to the English Departments of both the University of Hong Kong and the Chinese University of Hong Kong, demonstrating our strength in language education.

In STEAM education, students have won numerous awards, including the **championship** in the "Greater Bay Storytelling Competition" and the **championship** in the intermediate category of the "2025 Hong Kong Inter-School Flight Challenge". It reflected that our students are innovative and excel in application of science.

The development of sports and arts are equally outstanding. Our dragon boat team, established in 2023, has achieved remarkable success, winning titles such as the Kellett Island Cup, Hong Kong Open **Championship** and the Sha Tau Kok Hong Kong Dragon Boat Championship. We even nurtured **Hong Kong representatives** such as YAO Haobiao, who represented Hong Kong in the World Dragon Boat Championships, winning a bronze medal. Recently, despite the fierce competitions, five students and four students have been selected as Hong Kong team members for Hong Kong Dragon Boat Team (U16) and Hong Kong Dragon Boat Team (U18) respectively. We are excited to have such talented athletes.

We emphasize experiential learning, with junior form students having the opportunity to join overseas exchange programmes each year. Most extracurricular activities are free of charge. Our alumnus, LO Wai-fung, a member of the Hong Kong Olympic Taekwondo Team, was admitted to Hong Kong Baptist University through the "Talented Athletes Direct Admission Scheme", reflecting our support for diverse development pathways.

We sincerely invite you and your child to help promote the S1 Information Day. Please encourage your friends and relatives to scan the QR code on the poster or invitation card to register and have a better understanding of the school academic achievements and campus life.

Thank you for your kind support.

Yours faithfully,

Principal
TSO Tat Ming
