Dear Parents / Guardians,

Annual Membership Fee for Parent-Teacher Association 2025-2026

The Parent-Teacher Association (PTA) of our school was established in 1999. One of the major aims of PTA is to build a companion relationship between parents and school, promoting education and improving students' welfare. It is hoped that activities organized by PTA can help promote the understanding among parents, between parents and teachers and facilitate the sharing of nurturing of children. According to the Constitution, parents of all students who are enrolled in our school will automatically become members of the association. Each family will be regarded as one unit and pays an annual membership fee. The annual fee will be maintained at **\$50** this year.

As our school conducted a trial of the Grwth electronic payment system last year and charged participating parents a \$10 testing fee, to simplify administrative procedures, this amount will be contributed to the current year's membership fee. Therefore, Parents who participated in the trial have to submit \$40 only for this year's membership fee (i.e., after deducting the \$10 testing fee). Parents who did not participate in the trial have to submit \$50.

Parents are kindly requested to pay the fees with the reply slip to your class teacher on or before 17th October, 2025. Should you have any inquiries, please contact Mr. WONG Kwong-chun at 27776289.

Yours faithfully,

Tso Tat-ming

Principal
