Dear Parents / Guardians,

Graduation Examination (S.6)

The Graduation Examination will be held from 30th January 2026 (Friday) to 13th February 2026 (Friday). Please find the attached examination timetable, coverage and revision guidelines for all subjects. You are encouraged to monitor the revision progress of your child to ensure they are well prepared.

Please be reminded that:

1. Students should come back to school before 8:10 am. They should make full use of the time to self-study either in the school library or at the tuck shop during the test period.
2. In the event of absence due to illness, a medical certificate issued by a registered doctor must be provided within 3 days so that the score(s) of the examination concerned will not be counted in the annual total. Otherwise, the score(s) of examination will be counted as zero.
3. If the examination of a particular subject is affected due to bad weather or special circumstances, the date of the examination will be announced separately. The examinations of other subjects will be carried out as scheduled. 7th February (Saturday) is the backup date for the Graduation Examination.

Kindly fill in the reply slip and return it to the class teacher. Should you have any enquiries, please contact the class teacher.

Yours faithfully,

TSO Tat-ming

Principal
