Dear Parents / Guardians

Election for the 17th Parent-Teacher Association

Our Parent-Teacher Association was established in 1999. One of the major aims of PTA is to strengthen the bond between parents and the school in promoting education and improve students' welfare. It is hoped that activities organized by PTA can help strengthen the understanding among parents, between parents and teachers and facilitate the sharing of nurturing of children. It is hoped that parents would actively participate in school affairs and voluntary work and even become members of Parent-Teacher Association to directly involve in initiatives that facilitate the school development.

According to the charter, the term of offices of each committee member is two years. A new election for PTA will be held this academic year. If parents are interested in running for election to become committee members, please **scan the QR code on this page to fill in the personal profile form** after completing the reply slip.

Please complete the attached reply slip and have your child return it to their class teacher **on or before 12th February (Thursday)**. Should you have any enquiries, please contact Mr. WONG Kwong-chun or Miss. CHEUNG Tsz-tung at 27776289.

Yours faithfully,

Tso Tat-ming

Principal
