Dear Parents / Guardians,

Notice on Second Term Examination (S.4)

The Second Term Examination will be held from 1st June 2026 (Monday) to 12th June 2026 (Friday). Please find the attached examination timetable, coverage and revision guidelines for all subjects. You are encouraged to monitor the revision progress of your child to ensure good results in the examination.

Please be reminded that:

1. Students should come back to school before 8:10 am. They should not linger in the corridor during the test as it may cause disturbance to other students taking the test. Instead, they should make full use of the time to self-study either in the school library or at the tuck shop.
2. In the event of absence due to illness, a medical certificate issued by a registered doctor must be provided within 3 days so that the test score(s) concerned will not be counted in the annual total. Otherwise, the test score(s) will be counted as zero.
3. 6th June 2026(Saturday) is designated as the make-up day for the second-term examination. If any subject examination cannot be held as scheduled due to adverse weather or other special circumstances, it will be postponed to the make-up day, while examinations of other subjects will take place as originally scheduled.
4. You can contact the school teacher Ms LAW Suet-kam, the school social worker Ms NG or Mr Tsoi if you find that your child needs any special arrangements for the test.

You are strongly advised to supervise the revision progress of your child so that they can fully apply what they have learnt. Kindly fill in the reply slip and return it to the class teacher. Should you have any enquiries, please contact the class teacher.

Yours faithfully

TSO Tat-Ming
Principal
